

## ITT Marlow Trash Pump on Base with Motor

Mfg: ITT Marlow

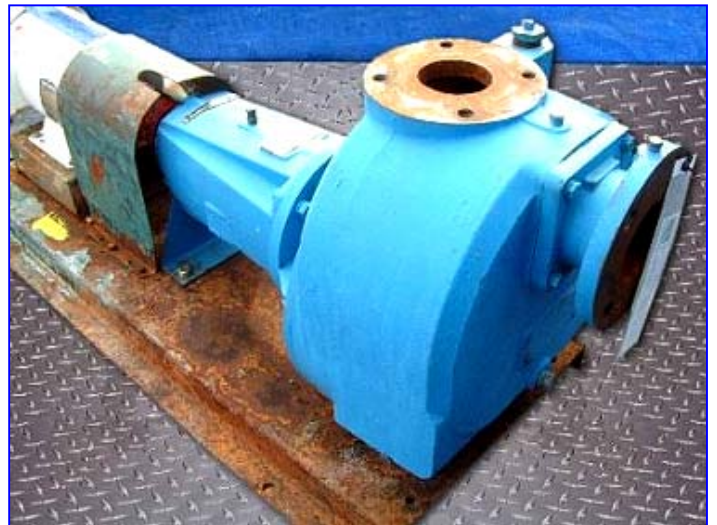

Model: 3PL3EL

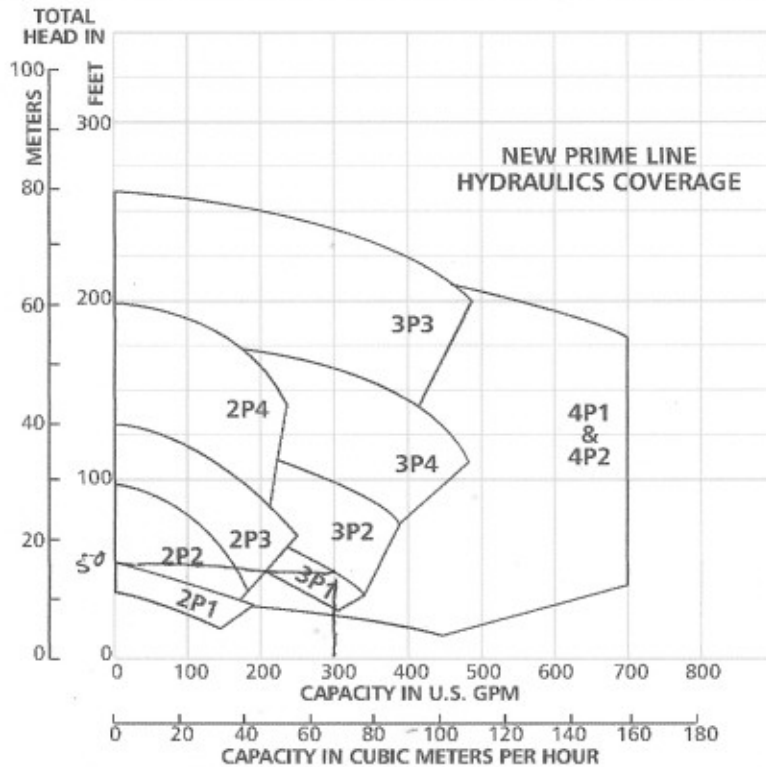

Stock No. QCAI140.1

Serial No. 436A945

### ITT Marlow Trash Pump on Base with Motor.

- Model 3PL3EL
- S/N 436A945.
- Inlet/Outlet (1) 3 in. (1) 3-1/2 in. with (2) 7-1/2 in. flanches.
- Washdown duty,
- Baldor Motor. Cat No. WDM3615T, 5 hp, 1,750 rpm, 230/460 volt, 13.4/6.7 amps, 60 Hz, 3 phase, 184T.
- Overall dimensions are 20 in. W, 50 in. L, 22 in. H.

**Prime Line® Key Features**

Suction, discharge gauge tap and filler plugs provided.

Integral steel-weighted, molded rubber check valve.

Back pullout design.

Cartridge bearing housing with grease.

High-efficiency impeller designs.

Industry standard, self-lubricated mechanical seal.

Fast priming.

Pumping efficiencies in the 60-75% range for significant energy savings.

Close- or long-coupled, standard.

All cast iron parts are ASTM #A48, Class 25 minimum. Bronze impellers and diffusers combined with 316SS shafts and hardware are available on four popular sizes. Optional ASTM B584 Bronze available for marine applications.
